

AEEPS

L'Association pour l'Enseignement de l'Éducation Physique et Sportive (AE-EPS), c'est 80 ans de militantisme pour une Education Physique Scolaire. Une action qui se traduit notamment par la publication d'une revue professionnelle (dénommée d'abord « Bulletin de liaison », puis « Hyper » et aujourd'hui « Enseigner l'EPS »), mais aussi par des ouvrages, une série de « Cahiers » et une récente collection de « Dossiers »
